We encourage all speakers delivering computer-based presentations to check in at the Speaker Ready Room with their presentation. The Speaker Ready Room is located in the Stateside Suite in the lobby area.

Bring two copies of your presentation, in case of storage or media failure. Provide your presentation on a USB Thumb Drive (preferred) or CD ROM.

A technician from our audio/visual company, CMI Communications, will be available in the Speaker Ready Room to assist you with transferring your presentation to the laptop computer. Your presentation will then be available in your session room when you arrive.

Below are check-in times for speakers. Please review and make note of these times.

The Hospitality Committee’s mission is to provide a social and professional reception to all first time conference attendees so you feel welcomed and informed regarding the association and the annual conference. The committee is eager to help make your first AASP conference an enjoyable experience. Members of the committee will be available at the conference to assist you in any way we can. We will also be hosting a “New Member Meet and Greet” session on the first night of the conference (Wednesday, October 27) from 5:30 p.m.-6:00 p.m. At this session you will be able to obtain important information about how to maximize your experience at the conference. The sole purpose of the Hospitality Committee is to welcome you and answer whatever questions you may have about the conference or your membership in AASP. Members of the Hospitality Committee are well connected and can be conduits for networking. Finally, you will be able to recognize the members by a ribbon hanging from their name tag that reads HOSPITALITY COMMITTEE. Feel free to come by the session to introduce yourself. We look forward to meeting you!
